Kind Attn:

**Subject:** Permission for our students for Vocational In plant Training.

Respected Sir,

Our institute is one of the popular institutes affiliated to Maharashtra State Board of Technical Education, Mumbai. We admit students in the following four branches of engineering: Mechanical, Civil, Electronics and Telecommunication and Electrical Engineering.

Our institute has given special attention to establish a training and placement cell which attempts to develop students to suit industrial requirements. Our institute arranges for visits to industries, as well as recommends the students for training at various companies during the vacation period.

As yours is one of the well known organizations, our students are very much interested to undergo industrial training at your company. You are humbly requested to allow the following students for industrial training during current vocation.

- 1) \_\_\_\_\_ 2) \_\_\_\_\_

We assure well disciplined behavior of our students during the training period.

Thanking you.

Training & Placement Cell.

Prof. A. J. Gujar  
Principal
